

Dear students,

I want to take a moment to emphasize the significance of creating a respectful and conducive learning environment for everyone in the classroom.

A classroom setting provides a valuable opportunity for all students to engage with course content, participate in discussions, and benefit from the knowledge and insights shared by the instructor. To ensure that each individual can fully immerse themselves in the learning process, it is essential that we maintain a respectful atmosphere.

I kindly request that all students refrain from engaging in disruptive behaviors such as talking to one another, making unnecessary or excessive noise, or engaging in activities unrelated to the class. By doing so, we can allow our peers to focus, concentrate, and actively participate in the class, thus optimizing the learning experience for everyone involved.

Thank you for your cooperation and understanding. Let's work together to make our classroom an enriching and rewarding space for everyone.

Azadeh
